Makow - Rothschilds Conduct 'Red Symphony' The 20th Century Unveiled

By Henry Makow PhD

11-9-3

Incredible and bizarre as it sounds, humanity is indeed the victim of a diabolical conspiracy.

War, depression and genocide in the past century were not accidental or inevitable but the result of a malevolent design.

Shocking evidence is a 1938 Stalinist police (NKVD) interrogation of a founder of the Communist International, Christian G. Rakovsky, 65, who was facing the firing squad for plotting to overthrow Stalin.

The 50-page transcript of his interrogation, dubbed "The Red Symphony," was not meant to become public. It confirms that the Rothschild-Illuminati planned to use Communism to establish a world dictatorship of the super rich.

This is perhaps the most explosive political document in modern history. It reveals why the Illuminati financed Hitler and then tried to destroy him, and why Stalin made a pact with Hitler in 1939.

Christian Rakovsky was a veteran Communist insider. Born Chaim Rakeover in 1873, he studied medicine in France before becoming a revolutionary. He was the leader of a terror group that attacked government officials. <http://www.spartacus.schoolnet.co.uk/RUSrakovsky.htm>

In 1919, Lenin put him in charge of the Soviet Ukraine government. He successfully kept the area for the Bolsheviks during the Civil War. Stalin appointed him Russian ambassador to Paris in 1925,

Rakovsky belonged to the powerful Trotskyite faction that took their orders from the Rothschilds. Many of this group were shot in Stalin's 1937 Communist Party purge.

MIDNIGHT INTERROGATION

Thus, the circumstances of the midnight interrogation Jan. 26, 1938 were very dramatic.

What could Rakovsky say that would save his life?

Rakovsky appears to use the tactic of "deceiving with the truth." He wins trust by revealing the truth but leaves some of it out. He tries to impress Kus'min that he and Trotsky represent an invincible power he calls the "Capitalist-Communist Financial International."

He confirms that the "revolutionary movement" was designed to enlist support by pretending to serve mankind's moral and collective ideals. The real aim, however, is to divide society, undermine established authority and create totalitarian rule.

"Revolution" really means, "overturning" Western civilization.

"Christianity is our only real enemy since all the political and economic phenomena of the bourgeois states are only its consequences," Rakovsky says. (Griffin, p. 264)

Peace is "counter-revolutionary" since it is war that paves the way for revolution.

Rakovsky refers to the Illuminati as "they" or "them." He claims he does not know them but I suspect he does.

He explains that the "Illuminati" is a Masonic secret society dedicated to Communism. Significantly, its founder Adam Weishaupt took the name from "the second anti-Christian conspiracy of that era, gnosticism." (249)

HOW THIS GRIPPING ACCOUNT SURFACED

The interrogator was one of Stalin's cleverest agents, Gavriil Kus'min known as "Gabriel."

Apart from him and a hidden sound technician, a doctor Jose Landowsky was the only other person present.

Conscripted by the NKVD to help "loosen the tongues of detainees," Dr. Landowsky was sickened by the many tortures he witnessed.

The interrogation of Rakovsky, however, was cordial. Dr. Landowsky doubts if the mild euphoric he put in Rakovsky's drink had much effect.

The interrogation, conducted in French lasted from midnight until 7 a.m. After, Kus'min ordered Landowsky to translate the interview into Russian and make two copies.

The content was so mind boggling that Landowsky made an additional carbon for himself. "I am not sorry that I had the courage for this," he wrote. (279) (The Bolsheviks had shot Landowsky's father, a Tsarist colonel, during the 1917 revolution.)

A Spanish volunteer later found the manuscript on Landowsky's dead body in a hut on the Petrograd front during World War Two. He took it back to Spain where it was published as "Sinfonia en Rojo Mayo." in 1949.

A person with the nickname "Yamaguchi" has posted the first half of "Red Symphony" on the Internet at

<http://yamaguchy.netfirms.com/symphony/red1.html>

The whole transcript was published in English in 1968 as "The Red Symphony: X-Ray of Revolution." You can find it in Des Griffin's "Fourth Reich of the Rich." (1988) I recommend this book.

REVELATIONS

Rakovsky gives his interrogator an astonishing inside view of modern history in order to prove that his sponsors control the world.

"Money is the basis of power," Rakovsky says, and the Rothschilds manufacture it thanks to the banking system.

The "Revolutionary Movement" was an attempt by Meyer Rothschild and his allies to protect and extend this monopoly by establishing a New World Order using the "revolutionary movement."

According to Rakovsky, "The Rothschilds were not the treasurers, but the chiefs of that first secret Communism...Marx and the highest chiefs of the First International ... were controlled by Baron Lionel Rothschild, [1808-1878] whose revolutionary portrait was done by Disraeli the English Premier, who was also his creature, and has been left to us [in Disraeli's novel 'Coningsby.']" (250)

Lionel's son Nathaniel (1840-1915) needed to overthrow the Christian Romanoff Dynasty. Through his agents Jacob Schiff and the Warburg brothers, he financed the Japanese side in the Russo Japanese War, and an unsuccessful insurrection in Moscow in 1905. Then he instigated the First World War, and financed the 1917 Bolshevik Revolution. Rakovsky says he was personally involved in the transfer the funds in Stockholm. (251-252)

The Jewish labour movement or "bund" was Rothschild's instrument. The Bund's "secret faction" infiltrated all the socialist parties in Russia and provided the leadership for the Russian Revolution. Alexander Kerensky, the Menshevik Prime Minister was a secret member. (253)

Leon Trotsky was supposed to become the leader of the USSR. Trotsky, a Jew, married the daughter of one of Rothschild's closest associates, banker

Abram Zhivotovsky and became part of the "clan."

Unfortunately "national" Communists like Lenin (one-quarter Jewish) got in the way. Lenin overruled Trotsky and made peace with Germany (Treaty of Brest Litovsk, 1918.) This was not the Rothschild's plan.

World War One was supposed to end the way the Second World War did. Russia was supposed to overrun Germany in 1918 and assist local "revolutionaries" in establishing a "peoples' republic."

Trotsky was responsible for an attempt to assassinate Lenin in 1918 but Lenin survived. When Lenin had a stroke in 1922, Trotsky had Levin, Lenin's Jewish doctor finish him off.

At this critical moment, the unexpected happened. Trotsky got sick and Stalin was able to take power. In the crisis, the Trotskyites pretended to support Stalin and infiltrate his regime.

Radowsky characterizes Stalin as a "bonapartist," a nationalist as opposed to an International Communist like Trotsky.

"He is a killer of the revolution, he does not serve it, but makes use of its service; he represents the most ancient Russian imperialism, just as Napoleon identified himself with the Gauls..." (257)

CONTAINING STALIN

In order to control Stalin, international finance was forced to build up Hitler and the Nazi party. Radowsky confirms that Jewish financiers backed the Nazis although Hitler was not aware of this.

"The ambassador Warburg presented himself under a false name and Hitler did not even guess his race... he also lied regarding whose representative he was... Our aim was to provoke a war and Hitler was war...[the Nazis] received...millions of dollars sent to it from Wall Street, and millions of Marks from German financiers through Schacht; [providing] the upkeep of the S.A and the S.S. and also the financing of the elections..." (259-260)

Unfortunately for the bankers, Hitler also proved intractable. He started to print his own money!

"He took over for himself the privilege of manufacturing money and not only physical moneys, but also financial ones; he took over the untouched machinery of falsification and put it to work for the benefit of the state... Are you capable of imagining what would have come ...if it had infected a number of other states and brought about the creation of a period of autarchy [absolute rule, replacing that of the bankers]. If you can, then imagine its counterrevolutionary functions..." (263)

Hitler had become a bigger threat than Stalin, who had not meddled with money. Rakovsky's present mission was to convince Stalin to make a pact

with Hitler and turn Hitler's aggression against the West. The purpose was for Germany and the Western nations to exhaust each other in battle.

Rakovsky urged the Russians to use the tactic of "deceiving with the truth." The Russians were to impress Hitler with their genuine desire for peace. Hitler was not to suspect that he was being set up for a war on two fronts.

Stalin was given a choice. If he agreed to divide Poland with Hitler, the West would declare war on only one aggressor, Germany. If he refused, the bankers would allow Hitler to depose him.

Kus'min demanded some high level confirmation. Rakovsky told him to see Joseph Davies, the US ambassador in Moscow, a fellow Freemason and representative of the International Communist Roosevelt administration.

Someone was sent to Davies who confirmed that "much would be gained" if Rakovsky got an amnesty. On March 2, 1938 a powerful radio message was sent to Moscow in the cipher of its London embassy.

"Amnesty or the Nazi danger will increase," it said." Davies attended Rakovsky's trial and gave him a Masonic greeting. On the same day, March 12 1938, Hitler marched into Austria.

Rakovsky's death sentence was commuted. Some believe he lived out his years under an assumed name. See http://www.acts1711.com/red_symphony.htm Another source has him shot in 1941. <http://www.spartacus.schoolnet.co.uk/RUSrakovsky.htm>

Secret negotiations were begun with Hitler. The result was the Ribbentrop-Molotov pact signed in August 1939 just one week before the invasion of Poland.

The interrogation seems to have created an accord between Stalin and the Illuminati.

RUSSIA STRUGGLES IN ROTHSCHILD CLUTCH

Europe and the United States long ago succumbed to Rothschild Illuminati control. In Russia, there are still some death spasms.

Recently, Vladimir Putin arrested Mikhail Khordordovsky, the head of Russia's largest oil company "Yukos" and "the richest man in Russia."

Putin announced that Russia would seize his \$12 billion 26% stake in the oil company, one of many national assets plundered in the reorganization of Communism 15 years ago.

Then we learn the shares already had passed to none other than banker Jacob Rothschild under a "previously unknown arrangement" designed for such circumstances. The two have known each other for years "through

their mutual love of the arts." <http://washingtontimes.com/world/20031102-111400-3720r.htm>

Rakovsky told Kus'min that the Illuminati do not take political or financial positions. They use "intermediaries."

"Bankers and politicians are only men of straw.... even though they occupy high places and appear to be authors of the plans which are carried out..." (248-249)

Obviously Khodordovsky is an "intermediary" for Rothschild. So are Richard Perle, Henry Kissinger and Ariel Sharon who each spoke out against Putin's action. Perle, the architect of the Iraq war, called for the expulsion of Russia from the Group of Eight. Sharon expressed concern about "persecution of Jewish businessmen." Khodordovsky is Jewish as is Simon Kukes his successor. And Perle and Kissinger.

Many Jews serve the Illuminati and that is one reason for anti-Semitism. But Tony Blair and George W. Bush serve it too and are not Jewish. The membership of the Bilderbergers and the Skull and Bones is mostly not Jewish. The Illuminati is an alliance between the Rothschilds, and the world's super rich united by Freemasonry, which consider Lucifer to be God.

Mankind, God's magnificent experiment, has been subverted and compromised. From the U.S. soldier in Iraq, to the taxpayer who pays the national debt, we are all "men of straw."

Very good article by Mr. Makow. If the information, contained in the article doesn't start a lot of people thinking and then moving in the right direction, well then, America must be braindead.

The Internet writers need to focus in on The House Of Rothschild. We can get a better deal if the boss running things, i.e., Rabbi Rothschild, knows we are onto his game, and broadcasting it. World Peace might be as simple as defanging one man, Rabbi Rothschild. Gees, Rabbi, can't you get enough shiny stuff, how much is too much?

I hope the Internet Snoops and the Hackers get onto the trail of The House Of Rothschild, expose it for what is: The Empire Of The Rothschilds, with Rabbi Rothschild...always a Rothschild, the worst, bloodiest, bane, ever to hit Western Society. Far worse than the Plagues could ever be, the sickness that is The House Of Rothschild has nearly destroyed every one of the white western societies, as well as bringing the Earth's Environment to a point of critical-unto-death. And us people? We are nearly laughable to the Rothschilds, who watch as we kill one another off and destroy our civilizations. Even so much so, that today the whole World of living things on Earth are threatened with extinction; the Earth, itself, subject to be destroyed.

How could those two Atom Bombs have been deployed to Japan, or anywhere else in the world, without the Head Rabbi of The House Of Rothschild okaying it, planning it, and insisting on it happening. It was all done to push the cattle back into their stalls, to fill the minds of innocent humanity with dread and fear...the fear of sudden and irreconcilable death.

The article posted by Mr. Makow allows us a window through which we can see the past, and quite clearly so. The two World Wars last century could not have happened without The Lord God, Rabbi Rothschild, having made them happen. I can assure the reader that 911 in America, the murder and destruction, WTC, and The Pentagon, the Airplane Crashing in Pennsylvania, the Anthrax Attacks, all of this and so much more not listed, could not have happened except that it had The Rothschild Empire seal attached to it. It is the cause of our pain and dying, this House Of Rothschild...which needs a wake-up call. Hey, we still matter! We want a better deal and an end to the burning of fossil fuels, and, an end to WAR.
